### **BAUER AG donates 8,000 euros to institutions in its region**

**Schrobenhausen, Germany** – For many, the Christmas season is not only a time of love and contemplation, but also a time of sharing and giving. With this in mind, the Christmas donation has been a firm fixture in BAUER AG's calendar for many years. At the end of November, representatives of the Schrobenhausener Tafel, the Caritasverband Neuburg-Schrobenhausen, the St. Josef children's home and ELISA Familiennachsorge were delighted to receive donations of EUR 2,000 each. "Many people are doing well, but many are not. And their number is unfortunately growing. That is why it is important to us, as one of the largest companies in our region, that we continue to participate in and support social initiatives and issues in our immediate surroundings," explained Executive Board Member Peter Hingott, during the symbolic handover of the cheque.

## About Bauer

The BAUER Group is a leading provider of services, equipment and products dealing with ground and groundwater. The Group can rely on a worldwide network on all continents. The Group's operations are divided into three forward-looking segments with high synergy potential: Geotechnical Solutions, Equipment and Resources. Bauer profits enormously from the collaboration of its three business segments, enabling the Group to position itself as an innovative, highly specialized provider of products and services for demanding projects in specialist foundation engineering and related markets. Bauer therefore offers suitable solutions to the world's greatest challenges, such as urbanization, the growing infrastructure needs, the environment, as well as water. The BAUER Group was founded in 1790 and is based in Schrobenhausen, Bavaria. In 2022, it employed about 12,000 people and achieved total Group revenues of EUR 1.7 billion worldwide.
